## Needled by Norma

"A well-oiled machine" is a common expression to indicate something that runs smoothly and without any difficulties. This would refer to not only the electrical device in your sewing area but all the way up the chain to the Board of Directors at ASG headquarters. Sometimes when we are soaking in all the benefits of being an ASG member, we fail to recognize just how much effort it takes to keep this machine we know as ASG running smoothly.

Look at the left-hand column on the next page of this newsletter and run through the list of names. Each and every person on that list has a vital role to play in keeping our group running smoothly. Each one has stepped up and volunteered to take on the task they were assigned and each one has been willing to help any of the others when problems arose. No one person is in control of this organization, it is a team effort and that is why it runs so smoothly.

We are at that time of year when again we will be asking for help in filling positions on our CAB. There is a place for anyone who would like to be in on the groundwork of planning our 2018 events and activities. Please consider what talents you could bring to the table and ideas that you might have as to programs, events and innovative ways of reaching members both past, present and future. There is a major disconnect when we have less than half of our membership attend the general meetings and roughly 10% in neighborhood groups. What are you wanting that we are not providing? Please consider contacting any of us on the CAB and letting us know your thoughts, or better yet come join us. For 2018 we will be looking for a new Treasurer, Special Events Coordinator, Eat and Shop planner and Retail Liaison. Also, if any other position strikes your fancy the person now filling it may be waiting for someone to take her place and consider stepping down or changing positions. When we have the same people doing the planning we tend to get the same results and as Dr. Phil would say "insanity is doing the same thing and expecting *different* results". (Our results have always been good, but good isn't always good enough). That being said, would only lead me to think that if we get new CAB members we also get fresh ideas.

ASG Wichita has been using the same facility for nearly 20 years at no charge and is now being challenged to find a new meeting location. This has put a strain on the CAB but we have gotten ideas from the membership and we thank you for that. Our main challenge was finding a location that will allow us locked storage for all our library books, fabric and sewing tools. There will most definitely be some compromising but I'm sure by the time the next newsletter is out that we will have a location that will meet most of our needs.

In closing I'd like to remind you that the happiest people are not those who are getting more, but giving more. If it has to be done, please take the responsibility to do it.

Norma

## *Duties of Wichita Chapter ASG Treasurer*

Thank you for the opportunity to be your treasurer for the last four years. I have fulfilled my 4 year position and encourage someone to step into the role.

Wichita ASG Treasurer's position is an opportunity to keep the financial records for the organization. It is a job for someone with accounting experience. Responsibility includes balancing the check book by paying the bills, recording automatic bank deposits, updating the monthly report for ASG Cabinet meetings, preparing a yearly budget, and sending the Quarterly IRS Report to National ASG Office. Computer Spread sheet is available to make it easier to keep the records. Once the format of the records is set up, it becomes a monthly update of balancing the transactions. Help is always available from the ASG Cabinet.

Rebecca Wondra

## *Expand Your Sewing Skills with Neighborhood Groups*

Have you ever been struggling with some step in a sewing project and thought to yourself "there's got to be a better way" or do you dream of sewing your granddaughter's prom/bridal gown but don't think you have the courage. Do you think you don't know as much as everyone else about sewing or do you drool over how a certain someone sews on binding? If you can say yes to any of these scenarios then a neighborhood group is for you.

Did you know you can visit one neighborhood group or all the neighborhood groups in your chapter or any number in-between? Did you know you don't have to go to every meeting, though we hope you will? Did you know you are not committing yourself for the rest of your life?

Our chapter has four neighborhood/special interest groups: Serger (for general serging), MEOW (machine embroidery of Wichita), Eastside (because that's where we meet) for general interest, and Sew Inspired which can take us in any direction and frequently does.

All groups operate a similar format, short business/announcement time, show and share, and a program. It is during the show and share that members can share tips and techniques, ask how-to-questions, show off your newest creation, get inspiration, courage and encouragement.

Come join us, there is always room for another chair.

Betty Brees, Neighborhood Group Coordinator

In September the **MEOW** group will again bring donations to our meeting. These donations are delivered by our members to Harbor House, Victory in the Valley and the VA Hospital. Donations for Harbor House consist of anything that is needed to set up a new household as well as children and baby items. Victory in the Valley needs quilts or even just quilt tops as they have a group that will finish the quilts. The VA Hospital needs lap blankets, pillow cases, men's underwear and clothing. Our group makes many of the items donated along with purchased and good used items. Everyone is welcome to our September meeting along with any donations you want to share.

## *Call for nominations*

Election for the 2016 Chapter advisory board will be held at our Annual meeting November 7<sup>th</sup>. If you are interested in a position please contact one of the nominating committee members.

Becky Wondra (316) 722-0939

Mary Baker (316) 778-2259

Wilma Wine (316) 832-1202

Nomination period closes September 5.

## *Hospice Gown Sewing Party, Sept. 16<sup>th</sup>, 2017*

**Be sure to reserve your spot by August 15th** for our 2017 Hospice Gown Sewing Party! It will be held on Saturday, September 16<sup>th</sup> in the 4H Hall. All our members and our sewing friends are invited. But remember this is a reservations only event (vital for planning a fun event!). Our goal this year is to finish 100 gowns – Are you up for the challenge? Don't forget - There will be lunch and snacks for everyone and lots of fun and prizes.

**What you need to know before you reserve:** You may reserve for yourself and sewing friend(s) by signing up at one of our meetings between now and August 15th or by contacting Beryl Silkey by August 15th!

**If you are inviting sewing friends/family,** be sure to provide their names, contact information (it can be you), skill level and preferences for participation so that we can be sure that they know what they need to bring. Children who sew are welcome as long they are supervised by the adult bringing them.

**Details about what to bring** with you to the party will be provided after August 31st.

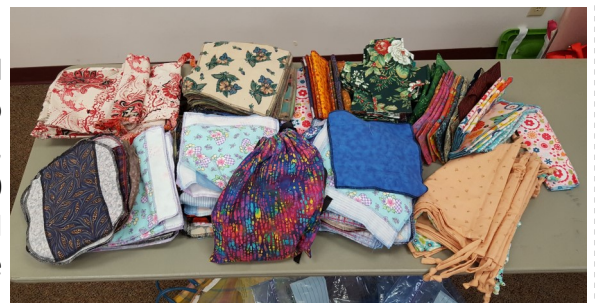

We will use a mass production process again this year, so we need some flexibility in assigning volunteers to tasks to keep an even flow. That means we'll need enough sewists, sergers, pressers, pattern cutters, bias cutters (rotary cutting), hostesses/table leaders, transporters, inspectors, final pressers and packagers to get the job done. Everyone pitched in last year and we had a lot of fun. Those who brought "just in case" machines and supplies were a real blessing!

Thanks to Harry Hynes Memorial Hospice for helping with most of the fabric purchases this year. But please remember, every 3-yard cut of comfortable cotton fabric contributed by you allows us to do more!

**Why we chose this charity event:** We learned about this need from Deb Zent, a hospice nurse in Indiana (see her heart-warming story at [www.institcheswithDeb.com](http://www.institcheswithDeb.com)) Hospice patients are often cared for at home by family members, friends and hospice workers and when they become bedridden, caregivers struggle with regular clothing. Hospital gowns, open in the back and secured by ties, make things easier but they are often stiff and drab. Our gowns will be colorful, soft and cheerful...a gown with flowers for the gardener or the sports themed gown for the baseball fan. This is our way to extend a warm, loving touch to Harry Hynes Memorial Hospice patients by providing comfort and dignity in their last stages of life. How can you help? There are two shifts available (or both shifts) with multiple tasks required to make this work in a mass production manner. What a wonderful day it will be seeing all of the different fabrics being used and to chat with other sewists as we meet our goal of making 100 gowns.

## *Days for Girls*

A total of 30 DaysForGirls feminine hygiene kits were delivered to Brillian and Sein Lengeju of KeepGirlsSafe.org for them to take with them to Kenya on June 28th. Each kit contains 1 bag, 8 liners and 2 shields, for a total of 30 bags, 240 liners and 60 shields. Another 48 bags are ready to be filled with liners and shields. They are going to take lots of pictures and would love to give a presentation to us at one of our General Meetings early next year. Thanks to your efforts, we have an estimated, total community service hours of over 310 hours for this accomplishment! Another 7 hours of service were used to donate baby blankets and pillowcases!

*Remember to turn your Community Service hours into Beryl!*

Winning fabrics designed for the ASG Fabric Design Contest were unveiled at conference. So many wonderful fabrics were submitted that there will be several choices available for members to order. One of the fabrics was designed by Wichita ASG member Susie Dyer. Check the national website for ordering information. All the fabrics include the ASG logo in the design. These fabrics should be inspiration to create some wonderful and unique projects.

We will again be sponsoring the Creative T-Shirt contest at the Kansas State Fair. Information will be available on the State Fair website June 1. The winner will receive a 1 year membership to ASG and a \$50.00 cash prize. Fair dates are September 8-17.

## On-Going Fundraisers

*Fabric FUNd* is a great perk for belonging to ASG. Not only does it give us a nice income for our chapter, it gives us an opportunity to rid our personal stashes of unwanted items or pick up a treasure from what a sister member no longer wants. Due to the upcoming change in our General meeting venue there will be some changes to Fabric Fund.

In preparation for this change we will only accept fabric donations thru August of this year. Then we will sell what we have thru September. Any fabric left will be donated to charity.

Due to a lack of storage after January 2018 the Fabric Fund will no longer keep fabric from month to month. If you bring fabric and it doesn't sell at that meeting you may either pick up your fabric at the end of the meeting, or leave it to be used for or donated to charity.
