## ---THREADS THAT BIND---

This hot weather is a great time to stay inside and sew. That is just what I have been doing. Trying to finish some new garments to wear at conference. One of the pieces I got on our recent bus trip to Kansas City is all finished but the buttons and buttonholes. I had hoped to make up the other piece to wear to conference, but time is running out and it is such a great piece of fabric I want to take the time to make it exactly the way I want it. Maybe there is still time to whip up one more dress from my old tried and true dress pattern. I

Between the quilts we made July 5th at our charity sew in and the ones some of you completed at home we have 20+ quilts made to go to St Jude's. Way to go ladies. One of the quilts will be going to conference with me to be displayed along with quilts from each of the other chapters.

September is ASG awareness month, as well as National Sewing month. Locally our chapter will be having demos at our September meeting to introduce you to a new technique, or help you brush up your on skills that you are already familiar with. Nationally the Home sewing Association is revitalizing National Sewing Month. (I have already seen some of their ads.) Be sure to participate in the survey our ASG national headquarters will be conducting. See the article in this newsletter for complete details. This is an on-line survey, conducted by an independent survey company. It is designed to help our national headquarters know how to help us keep on sewing. In my opinion one of the greatest benefits of ASG membership is the link our national headquarters provides with the sewing community. Be sure to let them know your thoughts and wishes by completing the survey.

Soon it will be time for elections. Our nomination committee will be soon be contacting members to fill Chapter Advisory Board positions for next year. Please consider saying yes when you are asked. Getting involved makes being a member so much more rewarding. Better yet! Contact the nominating committee and volunteer for a position.

Well I better get back to packing for conference. I wish I could take each and every one of you with me. Hopefully I will return with lots of great ideas to share with you.

Sew Happy  
Shirley

## 2005 Election Highlights

### OLD ELECTION NEWS

Mea Culpa. I mistakenly reported that the Education Chair is up for reelection. This is not so. Education has one year left but read on...

### NEW ELECTION NEWS

At the 2005 national conference our presidents will be voting on new election procedures. In a nutshell this would change our elected and appointed positions. Elected positions are for 1 year and will include only: President, Vice-President, 2nd Vice-President, Secretary and Treasurer. The rest of the board would be appointed by the new board after their election. This proposal has not yet passed but the feeling is that it will pass at the conference.

So...what does this mean? It means that, for 2006, you will elect the 5 positions above to be on the Board. This new board of 5 will appoint all other positions after their election.

The standing rules of the Wichita Chapter state that anyone running for President be on the board in some position in the year before her term of President would start. In the July 2005 Board meeting we also added to the standing rules that the 2 VP's can choose from the following 4 areas of responsibility: Special Events, Membership, Education and Newsletter.

Because we are in a transition year the board decided that the 3 positions not up for re-election (Neighborhood groups, Education and Secretary) could choose to stay on the board in their current position, submit their name for appointment to a new position or leave the board entirely, whichever pleases them, no harm, no foul.

Now, I bet you are thinking, 'Hey, I wanted to run for Newsletter! The most fun and exciting job I can imagine! Something I have dreamed of since I was a small child playing with my toy typewriter wearing my 'reporter girl' outfit that my mom sewed for me! What do I do now???' Just as it says in 'The Hitchhiker's Guide to the Galaxy', DON'T PANIC! but instead contact one of the people on your (Ta Da!)...

### Nominating Committee:

Barb Kroeger 316-636-5590,  
Carol Wiens 316-788-4448 jackw2@cox.net or  
Betty Brees 316-838-3709 04120501@msn.com.

They will be contacting you but feel free to contact anyone of them if you want to run for the elected positions or apply for the appointed positions. The nominating committee will make a ballot of the people running for office as well as compiling a list of everyone who is willing to fill a position to the new board for their consideration.

I thank you for your attention.

## Remembering Joan

by Marilyn Beaver

Our Guild member and friend Joan Pendleton died June 23, 2005. Some of Joan's English ancestors were silk ribbon weavers, and she carried on their tradition of making beautiful things. Joan was accomplished in many areas; Garment making, embroidery, quilting and crafts. She generously shared her skills by teaching others. She created much beauty with her sewing and with her friendships. She will be missed.

### Why Should a National ASG Membership Survey Be Important to You ?

By: Maureen Heck and Sandy Cagle for the ASG board of directors.

This September we have made it very easy for all of you to give us some valuable feedback through a Membership Survey. Out of nearly 20,000 members, only a small percentage regularly contact us with suggestions on improving ASG. The dilemma, however, is that when only a few of you share your thoughts it is hard for us to always know if those opinions are truly representative of all ASG members.

Our Membership Survey is the result of a great deal of work by many hands. The survey will be available to each and every one of you either on the ASG website or, if you don't have web access, through your chapter leadership. Now we need each of you to do your part and complete the survey in September letting us know your thoughts.

This easy-to-complete survey, available on the ASG website in September, has been prepared by survey professionals in the field. Your answers will go directly to them for analysis with a summary and recommendations coming to the Directors in November.

The bonus is that you will be eligible for a drawing of prizes by completing the survey. You must use your membership number as a security code to complete the survey. The survey company will randomly draw numbers and provide only the membership numbers to ASG for awarding prizes. You wouldn't want to miss out on a prize would you?

So, what do you need to do? Access the survey on ASG website. Use your membership number as a security code to get into the survey. Answer all the questions as they are important to form a picture of our ASG members. Encourage all chapter members to complete the survey.

We hope to have great ideas to share with you but, if you don't respond we will never know. Help us to work on creating the ASG of the future.

### BUS TRIP TO KC & LAWRENCE REPORT

by Sondra Schmittgens

Our day began at ohmygod 6:15 am at Village Charters. I am not a morning person but many in our group are cheerful in the morning...huh. The bus started off at 6:30 on the dot and the chocolate was passed around at 6:32. Well it was talk talk talk until we got to KC through many trials and construction tribulations. But at last we arrived at that Mecca of fabric, Cy Rudnick's.

Let me just say that linen, silk, wool, buttons, patterns, ideas and friendly people mix very well or at least there were very few injuries in the joyous confusion that ensued. It went something like this; look, smell, unroll, refold, furl, crunch, unfurl, sort, match, laugh, sigh, ignore, fall in love, buy, buy, buy.

Saying our good-byes and slugging our packages to the bus it was on to the Plaza and Kaplan's. Some felt a bit peckish and had to take time for a midday repast for the body while others of us went on for more of the spiritual upliftment of the soul which is fabric. At Kaplan's we once again touched, smelled, stroked and caressed a variety of fabrics. Ask Betty Brees about her magic dot fabric. Ask me about my four-ply silk. Ask anything you want except the state of our bank accounts! With full stomachs and content yet smug expressions we carried on to Lawrence.

Once again...oh you know! Sarah's was great too. At that point I didn't even have to look around. Denise called me over, 'Look at this! You need pants out of this!' Well, she was right, I did. Shirley calls out, 'Sondra! This looks like something you would buy!' It was. It was something I would buy. And the rest is history. I now have a new pair of pants and something I would buy.

We also took a gander over to the Yarn Barn. If you have never been there and you knit, crochet, spin, weave or embellish with yams...why haven't you been there?? It is truly a gift for the senses.

In short, a bus trip to buy fabric is not just a trip, not just an orgy of buying... it is joy!

#### Lois Ericson Sample Garments

We would like to have some sample garments from Lois Ericson's patterns for the Awareness Day activities on Sept 6. Shirley Binder will supply the pattern and fabric if you allow the garment to hang in her store for a while. At any rate, if you have or want to make a garment from a Lois Ericson pattern please do and bring it to Awareness Days to help us advertise our special event!
